**BETTER TOGETHER**  
Annual Report 2020

# Together, we are a magical community

Dear Friends,

2020 was a year like no other. Much of it was spent in a state of fear and uncertainty, as life as we knew it changed in unimaginable ways. We have endured lockdowns and cancellations, physical distancing and face masks, reduced social contact and a tragic amount of loss. The heart of TEAD lies in bringing people and horses together. It has been a long and difficult year of being apart.

But even through the struggles, the kindness and strength of the TEAD community has shone through. Because of you, our 13 therapy horses are healthy and happy, our program offering has expanded, new staff have joined the team, and our financials are strong. We are ready for a brighter future ahead, and to have the full TEAD community reunited again.

We would like to give our sincerest thanks to our riders, families, volunteers, donors, staff and partners. Thank you for making TEAD a magical community!
